

## Disaster Planning: Preparing for the Unexpected

If there were a flood, tornado, fire or even an extended power outage, at your organization, in your community or a community nearby, are you prepared to ensure that your neighbors in need will continue to be served?

Please join us for the 2008 Hunger Solutions Minnesota Lunch and Learn Sessions. You will hear from Andrea Andresen, coordinator of the SEMCAC-Rushford Food Shelf, as she shares her experience of the severe flooding that took place in southeastern Minnesota and her home town, the city of Rushford, during August of 2007. The flood destroyed not only the SEMCAC food shelf and administrative offices, but also Andrea's own home.

You will leave this session with five tips on what to do TODAY to make sure you have some preparation at your agency in the event of an emergency or disaster.

We hope that you will enjoy this opportunity to learn in-depth information to help you in the management of your organization, expand your network and enjoy lunch on us.

All meetings are free and will take place from **10 a.m.-1 p.m.** Please feel free to attend any meeting that works with your schedule.

You are strongly encouraged to invite any other staff, volunteers and board members to attend. Bring as many people as you'd like but remember, **registration is required.**

To register, contact Cathy Patterson at 651-789-9844/800-782-6372 x15 or email [cpatterson@hungersolutions.org](mailto:cpatterson@hungersolutions.org).

When registering, please include:

- your name
- your organization
- the meeting location you will attend
- how many are planning to attend
- any special dietary needs
