

TEFAP Products Arriving October 2016-April 2017

The Emergency Food Assistance Program (TEFAP) has been operated in Minnesota by the Department of Human Service Office of Economic Opportunity (OEO) and Hunger Solutions Minnesota for the last 15 years. TEFAP provides a vital source of nutritious food to our communities across the state throughout the year. Everything from meat and dairy to pasta, fruits, and vegetables can be available through TEFAP.

Agencies have requested advanced notice of TEFAP food products coming to Minnesota. Below is information about the products that have been ordered by OEO and Hunger Solutions that will arrive at food banks across the state in the next few months. Months when products are arriving are shaded grey. This list can help you in planning and placing future orders. Keep in mind that an order can be changed or cancelled by a vendor, so this list may change. We will update the list as changes are made.

Updated 11/1/2016
