## What is SNAP?

SNAP, or the Supplemental Nutrition Assistance Program, is federal food assistance placed on EBT (Electronic Benefit Transfer) cards that helps thousands of Minnesotans meet their nutritional needs. To find out if you can get SNAP, call the MN Food Helpline at 1-888-711-1151.

## More about tokens

Tokens can be spent only at the market where they are purchased. Tokens do not expire.

## More about Market Bucks

Between May 1, 2016 and October 31, 2016, you can use Market Bucks to buy SNAP-eligible foods from vendors at any participating farmers market. Unused Market Bucks may not be returned for credit or cash. Market Bucks expire October 31, 2016.
