

Important Update:

Produce Market Bucks Ending August 31

We want to let you know about an upcoming change to SNAP matching at farmers markets.

What's Changing?

The Produce Market Bucks program is ending on August 31 due to a lack of federal funding. This program provided an extra \$1-for-\$1 match (up to \$10) specifically for fresh fruits and vegetables.

What's Still Available?

The Market Bucks program is still going strong! You'll continue to receive a \$1-for-\$1 match (up to \$10 per market visit) on any SNAP-eligible foods, including fruits and vegetables.
