Overview

The Minnesota Food Shelf Program (MFSP), sometimes referred to as the “state grant” or the “fall grant” is an annual state funded grant, as described in the MFSP state statute [256E.34](#), available to non-profit organizations with 501(c)(3) status and Tribal Nations participating in The Emergency Food Assistance Program (TEFAP). Funds are distributed one time per year in the fall. MFSP is a non-competitive grant, and potential grantees must apply annually online. The Food Group (TFG) formerly Hunger Solutions Minnesota distributes funds on behalf of the Department of Children, Youth and Families, Office of Economic Opportunity (DCYF-OEO).

The Food Group (TFG) distributes funds on behalf of DCYF-OEO. In previous years, the funds were distributed by Hunger Solutions Minnesota. Hunger Solutions and The Food Group merged organizations in March of 2024, and all future distributions will come directly from The Food Group.
